

Advanced Practice Provider

Nurse Practitioner/Physician Assistant – Hospitalist Outpatient Observation Unit Monday- Friday Day Schedule!

Are you looking for a place you can maximize your skills, build upon what you have already learned, and collaborate with other APPs, physicians, and residents in admitting and managing patients in our observation unit? If so, consider joining the Good Samaritan Apogee Hospitalist* team where you will work with a cohesive group who enjoy camaraderie, while providing care with highly trained consulting physicians in over 30 specialties including, Interventional Cardiology, Urology, GI, Hematology/Oncology and more. Work in a state-of-the-art academic community hospital that serves as a referral center in the region, and is affiliated with IU School of Medicine.

Duties include but are not limited to, patient admissions, progress notes, and education; as well as prescribing medications, ordering diagnostic tests, recommending therapeutic interventions, and assisting with patient discharge summaries.

The NP or PA will work with the collaborating physician to provide care to our outpatient observation unit. Occasional opportunity to cover inpatients if needed.

Job Details:

- Monday-Friday 8 am – 5 pm
- Average daily census is 5-11 patients
- Admission average is 2
- Depending on patient volume, may also cover inpatients occasionally

Requirements:

- A desire to be part of a patient-focused team in a Magnet Designated Hospital
- Strong clinical skills and a desire to continue to learn
- Licensed in the State of Indiana with full prescriptive authority and certified by the ANCC/AANP as a Nurse Practitioner or NCCPA as a Physician Assistant.
- Successful completion of ACNP, AGACNP, or ACCNS-AG certification; or successful completion of FNP or PA program with experience as a Hospitalist preferred
- Ability to make quality patient care decisions in the Acute Care environment
- ICU/Critical Care experience highly preferred
- Computer skills required; EMR experience preferred

**Provider contract offered through Apogee Physicians in conjunction with Good Samaritan Hospital. Apogee is a physician-focused Hospitalist group that functions as a team with a common goal. You can learn more at <https://apogeephysicians.com/> Training provided by Apogee Physicians.*
