Financial Assistance Guidelines

## FINANCIAL ASSISTANCE

For more than 100 years, Good Samaritan has worked by the standard of providing necessary care regardless of the ability of some patients to pay for medical services. We are well aware of the financial burden that an unexpected medical emergency can put on a family.

That's why we work closely with the patient and members of the patient's immediate family, considering each personal history, such as family income and number of dependents in the family (see chart), and do our best to find the financial assistance they may need.

Financial assistance applies only to the services that the patient has received from Good Samaritan Hospital, Good Samaritan Physician Network and Good Samaritan Rural Health Clinics. You may be billed directly from other affiliated providers' billing offices.

### How to Apply for Financial Assistance:

The last thing you want to worry about while recuperating from an illness, or rehabilitating from an accident or injury, is how to pay medical bills. If you feel you meet the requirements for financial assistance, or have more than five members in your household, a representative will be glad to work with you in this request.
