

Nurse Practitioner/Physician Assistant – Hospitalist

Maximize your skill set and become an inpatient expert by joining the Hospitalist Team at Good Samaritan, employed by Apogee Physicians, the largest entirely physician-owned and operated Hospitalist group in the nation.

Good Samaritan, a 4-time Magnet Designated, 156-bed academic community-based hospital offers over 30 specialty service lines to support the Hospitalist team.

Practice Details:

- Primary provider admitting to non-ICU patients during shift, with duties to include thorough H & P, progress notes, patient education, prescriptions, orders for diagnostic tests, therapeutic intervention recommendations, and discharge summaries
- Examine & treat patients in collaboration with Hospitalist Team
- 7 on/7 off scheduling with some flexibility
- 12 pm – 12 am with limited flexibility
- Opportunity for procedures

Job Requirements:

- A desire to be part of a patient-care team focused on providing excellent patient care
- Strong clinical skills and a desire to continue to learn
- Licensed in the State of Indiana with full prescriptive authority and certified by the ANCC/AANP as a Nurse Practitioner or NCCPA as a Physician Assistant.
- Successful completion of ACNP, AGACNP, or ACCNS-AG certification; or successful completion of FNP program with experience as a Hospitalist preferred
- Ability to make quality patient care decisions in the Acute Care environment
- ICU/Critical Care RN or APP experience highly preferred
- Computer skills required; EMR/EPIC experience preferred

*Provider contract and training offered through Apogee Physicians in conjunction with Good Samaritan Hospital.
