

***Nurse Practitioner - Physician Assistant - Midwife
Obstetrics & Gynecology Outpatient Clinic***

The Advanced Practice Provider will work with the collaborating physicians and healthcare team to:

- Provide comprehensive compassionate healthcare to women
- Educate women on steps to gain control of their health and wellness
- Manage OB & GYN patients in an outpatient setting, including IUD insertion, perinatal exams, fetal heart tone assessment, cervical exams, postpartum depression and checks
- Work closely with OB/GYN physicians in a busy office supporting women from adolescence to motherhood, to menopause and beyond
- Midwife would work in office, manage at times laboring patients in hospital, & potentially assist OBGYN in cases

We offer:

- 4-day work week, Monday – Thursday 8:30am - 5pm
- No weekends, No call
- Hospital-employed, salaried position with competitive pay
- \$2000 professional development allowance with 23 ATO days + 4 CME days
- Excellent Benefits package with up to 6% Retirement Match and paid malpractice

Requirements:

- Completion of accredited PA or NP program
- Midwife must be a Certified Nurse Midwife (CNM)
- Valid and unrestricted DEA, RN and APRN license, or PA license in Indiana
- Women's Health NP and/or OBGYN experience a plus
- Flexibility and willingness to work with a team
- Must have excellent critical thinking skills and strong OBGYN knowledge base
- EPIC experience recommended

Good Samaritan's Mission

Provide excellent health care by promoting wellness, education, and healing through trusting relationships.
