

**Advanced Practice Provider  
Nurse Practitioner/Physician Assistant – Wellness Matters Clinic**

***Outpatient opportunity available at Wellness Matters Employer Health Clinic***

*As an Advanced Practice Provider at Good Samaritan's Wellness Matters Clinic, you will be in a central position to interact with key employers, and their employees.*

*Excellent customer service, a passion to serve our community, and a positive approach to teamwork will be expected.*

*You will have the ability to influence care and wellbeing; as well as have the opportunity to grow the practice through community outreach and education.*

**The Qualified Advanced Practice Provider will:**

- Manage full spectrum of both acute and chronic patients of all ages in an acute care outpatient setting
- Demonstrate patient-centered, comprehensive medical care, as well as excellent customer service and interpersonal communication skills
- Perform patient assessments, implement plan of care including education on diagnosis & treatment, and navigate pharmaceutical assistance programs
- Assist in dispensing medications, booking appointments, ordering supplies, etc.
- Aid in growing the practice by community outreach and education

**We offer:**

- *4-day work week (Monday-Thursday 8am-5pm)*
- *Hospital-employed position with competitive pay*
- *\$2000 Professional development allowance*
- *Excellent Benefits package with Retirement match*

**Requirements:**

- Candidates must have completed a Master's degree from an accredited Physician Assistant or Nurse Practitioner program, be Board Certified and able to obtain an Indiana license
- DEA license
- Certification to perform CDL physicals or the willingness and ability to obtain quickly
- Experience in employer health, telehealth, and primary care preferred
- Desire and ability to work as an independent provider in a fast-paced environment
- Management experience as a previous charge nurse or shift coordinator nursing role ideal
- EPIC experience a plus
